## **DAVID CORTNER HIRED AS NATIONAL CUT SHEET SALES MANAGER**

Beaverton, MI– Brown Machine LLC recently announced the hiring of David R. Cortner to National Sales Manager-Cut Sheet Technologies. Cortner will be responsible for sales of the ovation series of shuttle and rotary cut sheet designs. He will coordinate management of their cut sheet manufacturing reps, as well as directing key OEM customer sales/support.

Cortner provides a wealth of sales management and operations experience. He has been involved in the plastics industry for over 30 years across various manufacturing management positions. Most recently, Cortner was President/Owner of a manufacturing rep business serving the plastics machinery and auxiliary market since 1989 (Jeda Equipment Services, Indianapolis, IN).

As a global leader of thermoforming technologies, Brown Machine LLC engineers and builds a complete standard line of continuous and cut-sheet thermoforming equipment and related tooling/peripheral equipment. Specialty thermoforming systems suited to a wide range of markets (including automotive, recreational, packaging, appliance and various other industrial segments) can be custom built to exact customer specifications. Brown Machine fully supports the thermoforming industry (Brown machine owners and competitive models, as well) with a full complement of 24/7/365 on-call service and parts support.

For more information contact Brown Machine LLC, 330 N. Ross Street, Beaverton, MI 48612. Phone: 877-702-4142 (toll free), Fax: 989-435-2821, Website: [www.brown-machine.com](http://www.brown-machine.com).
